In the absence of particular directions I forward to the best of my judgment, but in no case will I assume any responsibility after consignment to purchaser, unless for my own mistakes. When losses occur from detention enroute, claims should be made on the carriers immediately.

We desire it to be distinctly understood that we have no connection whatever with any other NURSERY, or employ TRAVELING AGENTS, and that our RESPONSIBILITY for any business transaction extends only to persons PURCHASING DIRECT FROM THE NURSERY. Dealers purchasing from us sell upon their own responsibility. We likewise disclaim any liability for results arising from defective planting or at improper seasons, or for subsequent faulty treatment and cultivation, and are not in any respect responsible for any loss or damage arising from any failure thereof. While we exercise the greatest care to have all our trees and plants true to name, well grown and packed in the best possible manner, and hold ourselves in readiness on proper proof, to replace all trees or plants that may accidentally prove untrue to label, free of charge, or refund the amount paid therefore, it is mutually understood and agreed to between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than originally received for said trees or plants that prove untrue. Our reputation for upright dealing and the uniform high standard of quality of our products the result of a twenty-five years' business career, is our only guarantee to our customers.
